Summer 2018
Native American Fellowships
Peabody Essex Museum
Salem, Massachusetts

Apply for an 11-week, full-time, paid fellowship at the Peabody Essex Museum (PEM), one of the oldest and fastest growing art museums in the country.

PEM seeks rising leaders in the museum field and nonprofit cultural sector for our exciting, newly expanded Native American Fellowship Program. We are looking for graduate students and emerging cultural professionals of Native American, Native Hawaiian, or Alaska Native backgrounds who are eager to develop the knowledge, skills and networks necessary to become 21st-century community and museum leaders.

Fellows work with PEM’s dynamic staff and gain access to a comprehensive perspective on the theory and practice of museum management. Weekly workshops, field trips, mentoring and in-depth engagement on museum projects support Fellows in sustaining their existing skills while cultivating their professional development needs.
