2022 Targeted Mailing Labels Terms of Use

NEMA makes its membership mailing list available to its institutional and business members, to promote educational opportunities, services, or products that may be of interest to our members.

- **Targeted mailing lists to suit your business or institutional needs are provided for one-time use only and if this mailing list is abused membership will be revoked.**
- Please refrain from mailing fundraising, political, or religious solicitations.
- Mailings that reference NEMA must be reviewed and approved by NEMA staff.
- Mailing lists contain member names and addresses – no phone numbers or email addresses are provided.
- A full mailing list includes approximately 2,000 names; some are beyond the New England region. Please consider utilizing the targeted list option to reduce unnecessary mailings our members receive.
