Museums and related institutions who received grants from these three sources this year are indicated with a * in the list below. Other federal agencies also provide valuable support to museum work, including but not limited to: the National Park Service, NSF, NOAA, and Department of Education.

**Major impacts from just one signature IMLS Program: Museums for All**

This access program, in collaboration with the Association of Children’s Museums, encourages families of all backgrounds to visit museums regularly and build lifelong museum habits. Through Museums for All, those receiving SNAP benefits can gain free or reduced admission by presenting their EBT card.

Massachusetts has 34 participating sites, and welcomed 48,120 visitors in 2019.

**Who are we?**

NEMA represents museums, history organizations, science centers, zoos and aquaria, and many others:
